CORRECTION OF ASSIGNMENT

WHEREAS Steven Sheppard ("Assignor") has made an invention (the "Invention") entitled OPTICAL CONVERSION DEVICE, for which an application for United States Letters Patent was filed on March 15, 2000, and assigned serial number 09/526,100; and

WHEREAS, pursuant to Assignor's obligations to Next Level Communications, Inc., a Delaware corporation, Assignor executed that certain ASSIGNMENT signed in March 2000 (the "Assignment"), attached as Exhibit A

WHEREAS, due to a clerical mistake, the Assignment identified the assignee as "Next Level Communications" and its successors and assigns, instead of "Next Level Communications, Inc.," and its successors and assigns;

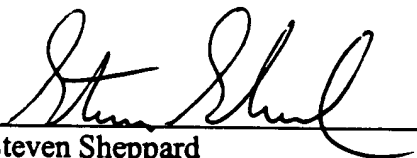

WHEREAS, it was Assignor's intent to assign all of Assignor's right, title, and interest in and to the Invention in any and all countries throughout the world and in and to any patent applications on the Invention in any and all countries throughout the world and any patents resulting from any such applications to Next Level Communications, Inc., and its successors and assigns;

WHEREAS on or about November 12, 1999, Next Level Communications was merged into Next Level Communications, Inc., thus making Next Level Communications, Inc., the successor to Next Level Communications;

WHEREAS Assignor and Next Level Communications, Inc., believe that the Assignment was effective to assign, transfer, and set over to Next Level Communications, Inc., all of Assignor's right, title, and interest in and to the Invention in any and all countries throughout the world and in and to any patent applications on the Invention in any and all countries throughout the world and any patents resulting from any such applications;

NOW THEREFORE, be it known that, for the avoidance of any doubt and pursuant to Assignor's obligation under the Assignment to provide further assurances with respect thereto, Assignor is executing this Correction of Assignment and has executed the Corrected Assignment, attached as Exhibit B, expressly identifying Next Level Communications, Inc., as assignee of Assignor's entire right, title, and interest in and to the Invention in any and all countries throughout the world, and in and to any patent applications on the Invention in any and all countries throughout the world and any patents resulting from any such applications;

ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made this 17th day of May, 2003, by Thomas Eames (hereinafter referred to as Assignor), residing at 4350 Oakridge Rd., Penngrove, CA 94951;

WHEREAS, Assignor has co-invented certain new and useful improvements in OPTICAL CONVERSION DEVICE set forth in an application for Letters Patent of the United States, already filed on March 15, 2000, as U.S. application No. 09/526,100; and

WHEREAS, NEXT LEVEL COMMUNICATIONS, INC., a Corporation organized under and pursuant to the laws of Delaware having its principal place of business at 6085 State Farm Drive, Rohnert Park, California 94928 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

WHEREAS Assignor was and has remained obligated to assign, transfer, and set over to Next Level Communications, Inc., its predecessor entities Next Level Communications and Next Level Communications, L.P., and their successors and assigns, any and all right, title and interest in and to said inventions in any and all countries throughout the world, and in and to any patent applications on said inventions in any and all countries throughout the world and any patents upon such applications;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or

terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor has not promised or purported to sell, assign, transfer, encumber, or set over all or any part of his right, title, and interest in or to the Invention in any country of the world or in or to any patent application on said invention or any patent resulting from any such application, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

WHEREAS Assignor was and has remained obligated to assign, transfer, and set over to Next Level Communications, Inc., its predecessor entities Next Level Communications and Next Level Communications, L.P., and their successors and assigns, any and all right, title and interest in and to said inventions in any and all countries throughout the world, and in and to any patent applications on said inventions in any and all countries throughout the world and any patents upon such applications;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use

and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor has not promised or purported to sell, assign, transfer, encumber, or set over all or any part of his right, title, and interest in or to the Invention in any country of the world or in or to any patent application on said invention or any patent resulting from any such application, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
